

DAVID BAYU CRISTANTO

Tuban, Jawa Timur | davidbayu57@gmail.com

SUMMARY

I am an undergraduate student majoring in Informatics Engineering at Universitas PGRI Ronggolawe. Throughout my studies, I have completed various projects such as text mining, forecasting, and building company web profiles. In addition to my academic work, I have also worked full-time in the food production sector as a production operator. During my 7th semester, I completed a 4-month internship at PT. PLN (Persero), where I held the position of administrative assistant and assistant to the supervisor.
